Dear old Golden Rule Days . . . .

Principal's Message

As Northern High School extends a friendly adieu to the class of 1956, our thoughts turn to your future success and happiness. Many of you have finished your formal education and now will seek your niche in life. We trust the schooling that you have completed will have served you well in giving you the foundations needed for success. To you who will continue your education through college, we hope we have firmly implanted in your minds the values of an education and the benefits you may derive from it. Your teachers have devoted endless hours in attempting to mold your characters and your minds, and in helping you to develop a sense of responsibility so that you mav become worthy members of our society. We can no longer guide you, so we hope that we have done our job well enough so that you may achieve your goals in life.

With you go our best wishes and our sincere hopes that each and every one of you will attain or exceed your expectations.

William J. Fleming
